

## Ancient Egypt and Nubia

# Skills for Life

## Using a Route Map

**Directions:** Study the route map below and then answer the following questions on a separate sheet of paper.

1. What region of the world is shown on this route map?
2. How many years does the map cover?
3. What physical feature on this map do many of the trade routes follow?
4. What physical features do the trade routes avoid?
5. Name the three large bodies of water connected by these trade routes.
6. Describe the route you would take if you were traveling from Memphis to Nineveh. Why did you choose this particular route?
